

# DRILLINGS

# GS

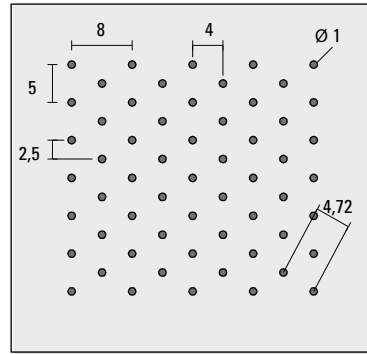

### Linear drilling FLØ1

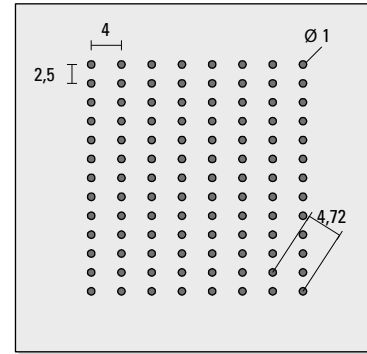

|                 |               |
|-----------------|---------------|
| Code            | 1 - FL 1,96   |
| Drilled surface | 1,96 %        |
| Aluminium from  | 0,5 to 0,6 mm |
|                 |               |

### Diagonal drilling FDØ1

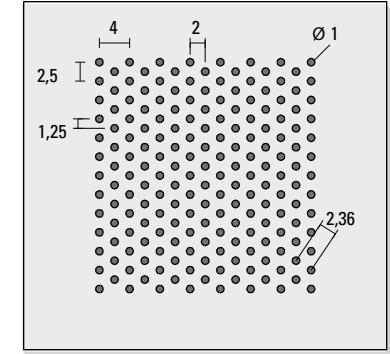

|                 |               |
|-----------------|---------------|
| Code            | 1 - FD 3,93   |
| Drilled surface | 3,93 %        |
| Aluminium from  | 0,5 to 0,6 mm |
|                 |               |

### Linear drilling FLØ1

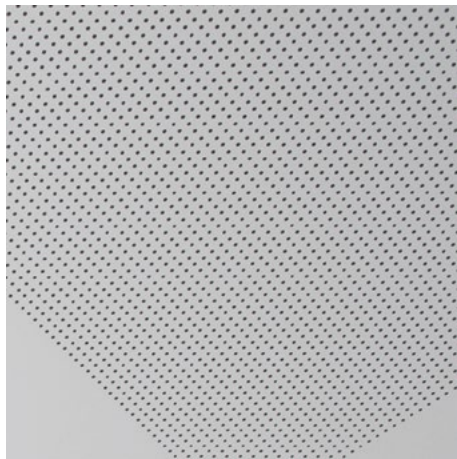

|                 |               |
|-----------------|---------------|
| Code            | 1 - FL 7,85   |
| Drilled surface | 7,85 %        |
| Aluminium from  | 0,5 to 0,6 mm |
|                 |               |

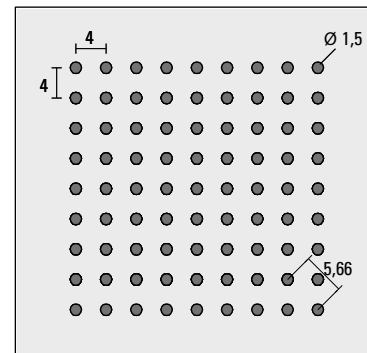

### Diagonal drilling FDØ1

|                 |               |
|-----------------|---------------|
| Code            | 1 - FD 15,70  |
| Drilled surface | 15,70 %       |
| Aluminium from  | 0,5 to 0,7 mm |
| Steel from      | 0,5 to 0,7 mm |

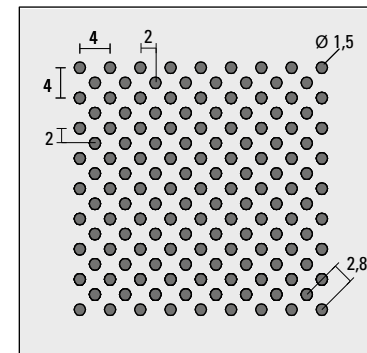

### Linear drilling FLØ1,5

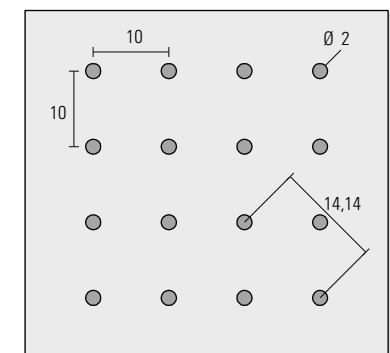

|                 |                |
|-----------------|----------------|
| Code            | 1,5 - FL 11,04 |
| Drilled surface | 11,04 %        |
| Aluminium from  | 0,5 to 0,7 mm  |
| Steel from      | 0,5 to 0,7 mm  |

### Diagonal drilling FDØ1,5

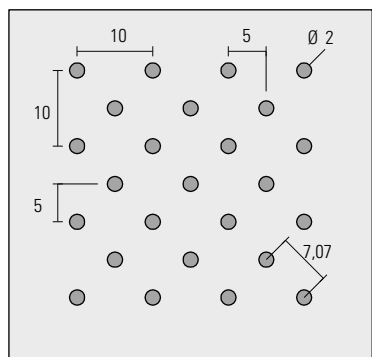

|                 |                |
|-----------------|----------------|
| Code            | 1,5 - FD 22,08 |
| Drilled surface | 22,08 %        |
| Aluminium from  | 0,5 to 0,7 mm  |
| Steel from      | 0,5 to 0,7 mm  |

### Linear drilling FLØ2

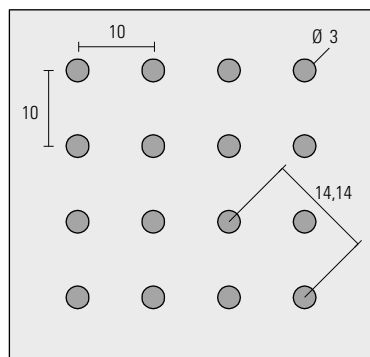

|                 |               |
|-----------------|---------------|
| Code            | 2 - FL 3,14   |
| Drilled surface | 3,14 %        |
| Aluminium from  | 0,5 to 0,7 mm |
| Steel from      | 0,5 to 0,7 mm |

### Diagonal drilling FD02

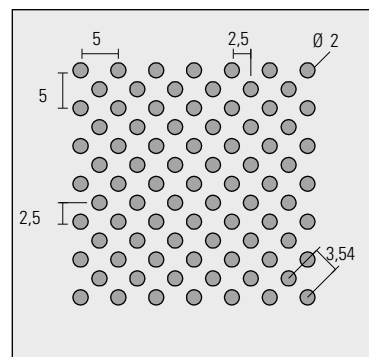

|                 |                      |
|-----------------|----------------------|
| Code            | <b>2 - FD 6,28</b>   |
| Drilled surface | <b>6,28 %</b>        |
| Aluminium from  | <b>0,5 to 0,7 mm</b> |
| Steel from      | <b>0,5 to 0,7 mm</b> |

### Linear drilling FL03

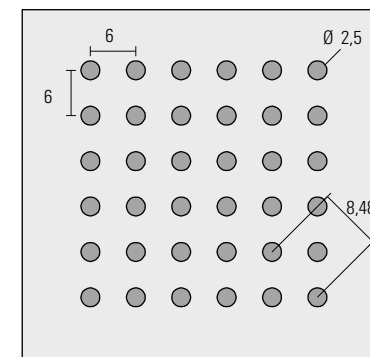

|                 |                      |
|-----------------|----------------------|
| Code            | <b>3 - FL 7,07</b>   |
| Drilled surface | <b>7,07 %</b>        |
| Aluminium from  | <b>0,5 to 0,6 mm</b> |
| Steel from      | <b>0,5 to 0,6 mm</b> |

### Diagonal drilling FD02

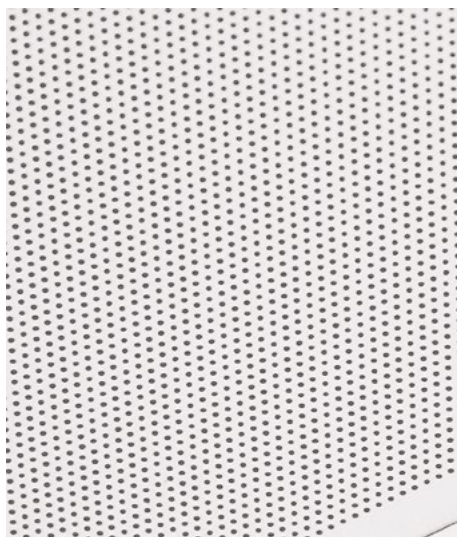

|                 |                      |
|-----------------|----------------------|
| Code            | <b>2 - FD 25,12</b>  |
| Drilled surface | <b>25,12 %</b>       |
| Aluminium from  | <b>0,5 to 0,7 mm</b> |
| Steel from      | <b>0,5 to 0,7 mm</b> |

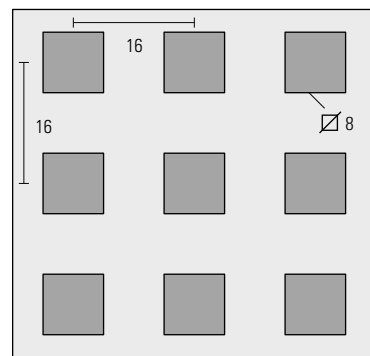

### Linear drilling FL02,5

|                 |                       |
|-----------------|-----------------------|
| Code            | <b>2,5 - FD 13,63</b> |
| Drilled surface | <b>13,63 %</b>        |
| Aluminium from  | <b>0,5 to 0,6 mm</b>  |
| Steel from      | <b>0,5 to 0,6 mm</b>  |

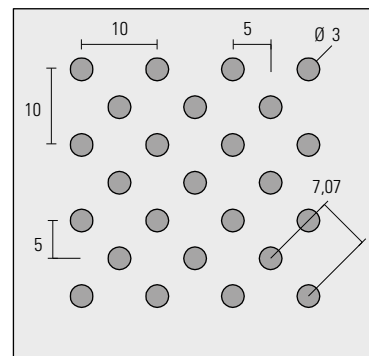

### Linear drilling FQ8

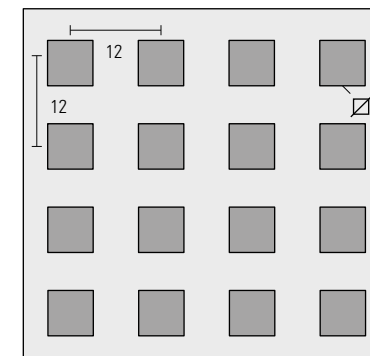

|                 |                      |
|-----------------|----------------------|
| Code            | <b>8 - FQ 25,00</b>  |
| Drilled surface | <b>25,00 %</b>       |
| Aluminium from  | <b>0,5 to 0,7 mm</b> |
| Steel from      | <b>0,5 to 0,7 mm</b> |

### Diagonal drilling FD03

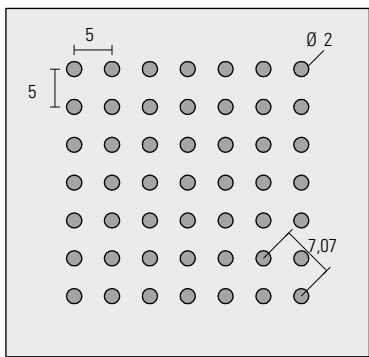

|                 |                      |
|-----------------|----------------------|
| Code            | <b>3 - FD 14,13</b>  |
| Drilled surface | <b>14,13 %</b>       |
| Aluminium from  | <b>0,5 to 0,6 mm</b> |
| Steel from      | <b>0,5 to 0,6 mm</b> |

### Linear drilling F06

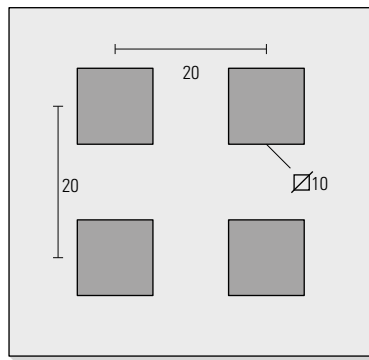

|                 |                      |
|-----------------|----------------------|
| Code            | <b>6 - FL 25,00</b>  |
| Drilled surface | <b>25,00 %</b>       |
| Aluminium from  | <b>0,5 to 0,7 mm</b> |
| Steel from      | <b>0,5 to 0,7 mm</b> |

### Linear drilling FL02

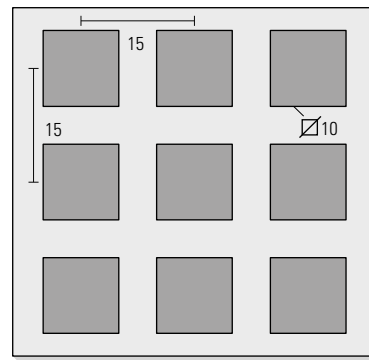

|                 |                      |
|-----------------|----------------------|
| Code            | <b>2 - FL 12,56</b>  |
| Drilled surface | <b>12,56 %</b>       |
| Aluminium from  | <b>0,5 to 0,7 mm</b> |
| Steel from      | <b>0,5 to 0,7 mm</b> |

### Linear drilling FQ10

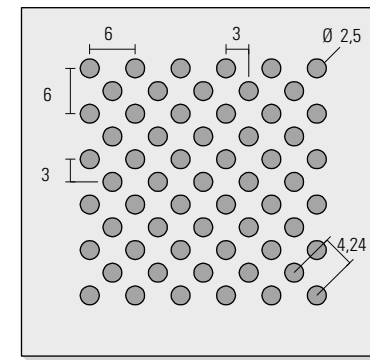

|                 |                      |
|-----------------|----------------------|
| Code            | <b>F10 - Q 25,00</b> |
| Drilled surface | <b>25,00 %</b>       |
| Aluminium from  | <b>0,5 to 0,7 mm</b> |
| Steel from      | <b>0,5 to 0,7 mm</b> |

### Linear drilling FQ10

|                 |                      |
|-----------------|----------------------|
| Code            | <b>10 - FL 44,00</b> |
| Drilled surface | <b>44,00 %</b>       |
| Aluminium from  | <b>0,5 to 0,7 mm</b> |
| Steel from      | <b>0,5 to 0,7 mm</b> |

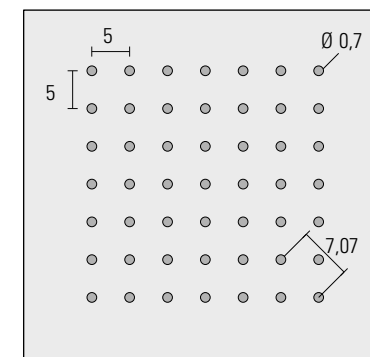

### Diagonal drilling FD02,5

|                 |                       |
|-----------------|-----------------------|
| Code            | <b>2,5 - FD 27,26</b> |
| Drilled surface | <b>27,26 %</b>        |
| Aluminium from  | <b>0,5 to 0,6 mm</b>  |
| Steel from      | <b>0,5 to 0,6 mm</b>  |

### Linear drilling FL00,7

|                 |                      |
|-----------------|----------------------|
| Code            | <b>2 - FL1,50</b>    |
| Drilled surface | <b>1,50 %</b>        |
| Steel from      | <b>0,6 to 0,7 mm</b> |
